<b>Reports:</b>  <u>Hospital Reports</u>  Bon Secours    VCU Health	Reported having been on diversion a lot lately, looking to improve on that. St. Francis needs an expansion and is pursuing level 2 trauma center status.    Reported a few hours of diversion last week for EMR failure, but other than that have been pretty diversion free. Upcoming construction project that will close all 6 lanes on broad street but don't anticipate any diversions because of that.
