<p>Centra Southside Community</p> <p>CVHC</p> <p><u>EMS Agencies</u></p> <p><u>ODEMSA</u></p>	<p>Charles Smith reported that they have some MCI training events they are planning out involving a lot of the medical community.</p> <p>Andrew Slater reported that the system is set up to go to the new hotline for Diversions and MCIs. This number will replace the current number in the MCI and Diversion Plans. The community will now call the hotline and then be routed to what hospital is taking on Patient Distribution responsibilities. The group discussed this at length. The Diversion Committee and plan have adopted this number. The MCI committee agreed to put it in the new plan and vote on it next meeting. Education will then be put forth updating the community.</p> <p>No reports</p> <p>Lynette Eanes has taken on a new role as Field Coordinator. ODEMSA will be hiring for a new administrative coordinator.</p>

He asked what are the expectations of EMS agencies and hospitals for a Triage Day. They decided to put the day on Tuesdays maybe starting in March. The group discussed this but will pick it up later on.</p>
