Henrico Fire	They have hired their new EMS coordinator Stephanie Corbin. They are working on the expo. They have started their BLS civilian positions for BLS trucks.	
Hanover Fire EMS	They implemented a CQI program that has improved billing and documentation practices. They are moving towards implementing IGels and they are removing pediatric supraglottic airways.	
<u>Hospitals</u>		
Chippenham Medical Center	They have a new interim trauma medical director. They are in a provisional trauma level 1 status for review next year. They will have a new rapid treatment area and pediatric area. They have a super ce trauma focused night coming up. Thanks for EMS participation in their programs.	
Bon Secours	Working on the Central Virginia EMS Expo. Nothing else to report.	
VCU Health	There will be rotating lane closures as construction goes on with CHOR. CTCCE will be moving to the basement of West Hospital.	
<u>ODEMSA</u>	ODEMSA has moved to the new VCU building at Parham and Broad. Hopefully the new location will be able to host the next round of meetings. Jordan reported that he has moved to a position with the Central Virginia Healthcare Coalition as the new manager. He will be maintaining his position with ODEMSA part time until a successor is hired. Some protocol changes were reviewed.
