STEMI Steering Committee

January 23rd, 2020 08:00am to
 9:30am Chair: Dr. Allen Yee,
 Regional OMD

Members and Guests Present: Deborah Nelson, Chris Crowell, John Owens, Charlene Montague, Allen Yee, Ashley Hansen, Al Thompson, Greg Neiman, Mike Harmon, Jordan Rennie
Conference Line: Troy Owens, LeRon Lewis, Ann Pollard
ODEMSA Staff: Tarsha Robinson, Tiffany Almeida
Minutes Scribed by: Tarsha Robinson
Materials provided: Meeting agenda

Topic/Subject	Discussion	Recommendations, Action/Follow-up; Responsible Person
Meeting Called to Order	Meeting was called to order at 08:15am. Introductions were made and quorum was present	Motion: Second: Vote:
Reports: <u>Hospitals</u> Bon Secours VCU Health	<p>St. Mary's-replacing cath lab floor; replacing bi-plane angio; remodeling EP lab; welcomed Emporia and SRMC to Bon Secours; now have 24/7 cardiac intensivist program on CCU/CVICU (STEMI/ICE patients); EMS EXPO in March</p> <p>St. Francis-using IMPELLA; working on improving quick-pass process (goal is to decrease time to cath lab in half, currently at 37min) with a new roll-out process starting February 1st; they are fully staffed; received Michelin Life-Line Gold Plus Award; Cardiovascular Summit Feb 22nd</p> <p>SRMC-still in "crossover" time period with merger; verbal approval to replace cath lab with Phillips; received Michelin Life-Line Silver Award; has LifeNet, capability to see 12-lead on phone (Zoll products only); criteria for bypass is if MD agrees it's a STEMI, pt goes straight to the cath lab</p>

<p>HDH</p> <p>John Randolph</p> <p>ODEMSA</p> <p><u>EMS Agencies</u></p>	<p>Refreshing equipment, and will be under construction for the rest of the year; there will be 4 more rooms for intake and recovery; 3 new doctors and new EP; holding EMS event at the end of Feb</p> <p>E-bridge will try to be rolled out by the end of February; stated that John Randolph is NOT a PCI, but trying to improve their process, especially with EMS and in-patient STEMI's; most STEMI's are still arriving POV</p> <p>New staff introductions; calendar is out for EMS CE education and hybrid EMT class</p> <p>No Reports</p>	
<p>Old Business:</p> <p>Mission Lifeline Action Registry Data</p>	<p>The group discussing focused on seeing if there was any value to bringing AHA data back? Is there another region that uses it and what are they doing with it; Bon Secours and VCU are submitting to Mission Lifeline; AHA and Mission Lifeline are no longer in partnership, and have been "doing their own thing"</p> <p>ACS has the American College of Cardiology that VCU has been submitting to</p> <p>Who are the reps for AHA, Mission Lifeline and American College of Cardiology?</p>

<p>New Business:</p> <p>Business from the floor</p>	<p>The group discussed its purpose, saying it's "cracked a nut" on door-to-needle time up to 90%; if current mission has been accomplished, should the purpose be expanded to include general cardiac care (i.e. establish regional emergency cardiac care guidelines for CHF, cardiogenic shock, etc.); ODEMSA established the first regional STEMI in AHA, and first regional ECMO guidelines; it was suggested that the agenda items should be renamed "topics" instead of "old/new business" to discuss best practices; currently the focus will be on STEMI transfers (*education component*-referring facility states transferring patient is in septic shock, but really in cardiogenic shock once evaluated at receiving hospital</p> <p>Discussion on reduced EMS transport times for time-critical cardiac emergencies; Dr. Yee states facilities in Chesterfield are free to call 9-1-1 if transfer agencies are taking too long and the referring hospital needs the patient transported immediately</p> <p>Look into how many inter-facility STEMI transfers there have been [in the last quarter/year]</p> <p>Cardiac arrest-education for EMS agencies for IMPELLA; what are the implications for those patients with this device (with or without cardiogenic shock)</p> <p>Push out education on ECMO guidelines</p> <p>Return to quarterly meetings due to new mission</p> <p>Reach out to respective cardiologists to attend meetings</p>	<p>Motion:</p>
<p>Next Meeting</p>	<p>April 23rd 2020 at 0800 am.</p>	
<p>Adjourn</p>	<p>The meeting adjourned at 0920 am.</p>
