ODEMSA Staff: Megan Young, Heidi Hooker, Adam Alford
Minutes Scribed by: Megan Young
Materials provided: Meeting agenda, Reference Binder

Topic/Subject	Discussion	Recommendations, Action/Follow-up; Responsible Person
Meeting Called to Order	Allen Yee called the meeting to order at 08:05am. Introductions were made, and it was determined there was not a quorum. The meeting proceeded as a workgroup session.	
Reports: CHS VCU Medical Center Bon Secours HCA Chippenham	Anne Fereday – They have started construction on a new EP lab which will be opening in November. She stated the hospital is now doing IMPELLA and ECMO, and are still slated for their cath lab and chest pain accreditation on November 7 th . A new CEO and cardiologist has joined their team. Michael Kontos – They are beginning a program of joint management with their cardiology overlap ECMO patients with cardiac surgery. Jeff Ferguson – No report. Mike Harmon – No report. Stephanie Allen – No report. Nancy Duncan – No report.

South Central EMS Sub-Council	David Norman – No report.	
Metro Richmond EMS Sub-Council	Allen Yee – No report.	
ODEMSA	Heidi Hooker - The new 2017 protocols have been approved and are in the formatting stage, ODEMSA is hoping for a release date soon. ODEMSA has taken over distributing the training funds from the state and per OEMS is in the process of setting up an online bidding system. Adam Alford is leaving his position and Megan Young is taking over as Training Director so ODEMSA will be hiring for a new Program Coordinator.	
<p>Old Business:</p> <p>Mission Lifeline Action Registry Data & Hospitals Action Registry Regional Reports</p> <p>Metrics for Pre-Hospital Cardiac Care</p>	<p>John Dugan was not available at the meeting and Paula Feather stated they do not have any data to report. Anne Fereday asked if that since Mission Lifeline will no longer be a part of action what does it mean as far as the committee and quality reports. Michael Kontos stated there is a few different options, the way it should work soon, is if you are submitting data into action you can download that information into a CSV file and upload that into Mission Lifeline. Mission Lifeline has some webinars that will introduce the process and explain things. Paula Feather stated that Get with the Guidelines is free for until November 1st. For 2018, there are three different options one being a static report and if hospitals sign up before November 1st its free and after that its \$500. Allen Yee asked if we should hold a webinar at ODEMSA for the hospitals. Paula Feather stated National Center is holding weekly webinars where they are talking about CAD and all the tools and vendor options.</p> <p>Michael Kontos stated one of the gold plus metrics are an ECG performed within 10 minutes and notifying the hospital within 5 minutes after. There is no new metrics just a higher standard to make gold plus.</p>	
<p>New Business:</p> <p>Focusing on Cardiac Arrest</p>	Allen Yee brought up using this committee as a venue for viewing cardiac arrest data as well as STEMI data. This will be tabled until the next meeting when a vote can be had.
