Materials Distributed: Agenda, Minutes

Topic/Subject	Discussion	Recommendations, Action/Follow-up; Responsible Person
Call to Order	Brady Taylor, Chair, called the meeting to order at 13:06. Quorum present.	
Review of Minutes	Minutes reviewed- minutes approved by consensus with one spelling correction	Adam to correct
Old Business		
12-lead project	<p>Discussed progress the 12-lead for BLS projects. We had last presented at July PDC meeting and has recommended some changes.</p> <p>Al stated that he had barrowed Adam's 12-lead placement PowerPoint for his EMT class and liked that it included a picture of where the electrodes go in relation to the heart in situ..</p>	<p>John to take another look at his PowerPoint.</p> <p>Adam to share his PowerPoint with John in Dropbox</p>
Precept Project	<p>Brad asked about taking the field Precept PowerPoint and how to develop the program for Clinical (hospital) units. Al stated that Basil had taken the PowerPoint and modified for the clinical units at VCU.</p> <p>Al stated that the workgroup had planned on a hospital based preceptor program. Al contacted Lori for more information on the Field program as well as what the workgroup to decide about the Clinical program. Al stated Lori stated that there was a couple of tweaks to the end product, and she hoped to have that completed within the week. She will then need to give it to Basil to write the final script and product a voice-narrated PowerPoint.</p>	<p>Lori to finish the final product. Basil to write script and</p>

	Brad asked what the status of the Stroke Assessment project? John stated that this was tabled. Jessica stated we had tabled this project until completion of the 12-lead and Preceptor projects.	John said this was good timing because last month the ODEMSA Stroke Committee added "BE FAST" and "Stroke Alert" to the Neurological Emergencies protocol.	Adam to contact Liz to see if there was any work on the project.
Stroke Training	Discussion about this project. It was stated that Liz Papellino wanted the PDC to work on this as a teaching tool for assessment for the new EMT curriculum	Adam stated that the Medical Direction Committee (MDC) might be sending a project to the PDC about pediatric drug dosages and using the Broselow Tape. There needs to be training in how to use the tape and	Adam to contact Liz to see if there was any work on the project.
Patient Assessment Video	Adam stated that the Medical Direction Committee (MDC) might be sending a project to the PDC about pediatric drug dosages and using the Broselow Tape. There needs to be training in how to use the tape and	Adam stated that the Medical Direction Committee (MDC) might be sending a project to the PDC about pediatric drug dosages and using the Broselow Tape. There needs to be training in how to use the tape and	Adam to contact Liz to see if there was any work on the project.
New Business	Business from the floor	Business from the floor	Adam to contact Liz to see if there was any work on the project.
Next Meeting	April 20, 2015; July 14, October 13, 2015. All scheduled for 1 PM at ODEMSA.	April 20, 2015; July 14, October 13, 2015. All scheduled for 1 PM at ODEMSA.	Adam to contact Liz to see if there was any work on the project.
Adjourn	The meeting was adjourned at 2:06 p.m.	The meeting was adjourned at 2:06 p.m.	Adam to contact Liz to see if there was any work on the project.
