Sargeant Reynolds	Annual Reports for CoAEMSPs. Have 5 classes going on right now, extending into the new year.	
ODEMSA	Adam – TCC meeting – new areas (Airway, Medical, Trauma, Operations, Cardiology) PEPL Jan 30/31	
Old Business		
12-lead project	Committee reviewed slides and made several changes reflecting terminology of some of the slides. Adam will test-run the presentation at some locations in PD-14. Adam will present to MDC for final approval.	Adam to present to MDC.
Precept Project	Project is in final phase. The modules are being recorded. The four modules will be available on Coursesites- There will be a short quiz between modules and at the end. Once the students finish the modules and quiz, they get a certificate they can download and print. The certificate is good for two years—at which time they will need to complete and updated training module (may be shortened as an update). ODEMSA will be charged with adding students who are approved by their agencies/OMD and meet the requirements.	Daniel to finish narration. Adam to notify agencies about the program.
Stroke Training	Committee reviewed the Stroke-BEFAST Powerpoint. Several changes were made. The committee decided to wait until further decision on the Large Vessel Occlusion destinations before proceeding.	
New Business		
Tabled Items	No action on tabled items.	
Business from the floor	None presented.	
Next Meeting	January 21, 2016 13:00.	
Adjourn	The meeting was adjourned at 2:46 p.m.
