Reports: <u>Hospitals</u> <u>EMS Agencies</u> <u>ODEMSA</u>	<p>The hospitals gave updates on their facilities. None of the facilities had gained or changed certification however Southside Community is pursuing Primary Stroke Center status.</p> <p>Education is ongoing with using VAN in combination with BEFAST. State medical control has asked the state to put a question on ImageTrend that would report whether an LVO screening tool, like VAN, was used and its results. It might take a couple months for this to come about.</p> <p>Jordan reported that Lynette Eanes is moving into the Field Coordinator position and ODEMSA will be hiring for a new administrative coordinator.</p>
