<u>VCU</u>	creating alerts (beginning 6/10) as L3 trauma center in 2026	
<u>CVHC</u>	Good Night Lights will be held 4/30; finalizing plans for EMS Week; Clay St @ ED Drive going west will be closed to the patient visitor deck and the exit from ED tunnel will become a 2-way street	
<u>VAMC</u>	CVHC is changing fiduciary agents from ODEMSA to VDH, due to both changes with the regional councils and with federal grant funding being possibly reduced or eliminated, it was decided that all regional healthcare coalitions would move under the VDH umbrella; these will be mainly administrative changes and shouldn't see any changes to regional responses	
<u>Goochland</u>	No report but if agencies have any questions or need assistance please reach out to Dr. Choudry	
<u>RAA</u>	No report	
<u>Chesterfield</u>	No report	
<u>ODEMSA</u>	No issues of late; had some increased wall times during flu season	
	Thank you to facilities for their support as agencies transitioned to in-house drug kits; Tarsha also announced that she is transitioning to a full time position outside of ODEMSA but will still be around to assist with the transition
