<u>ODEMSA</u>	Ryan explains the distribution of medication boxes from the pharmacy to the agencies process for April 15th. Ryan adds as time gets closer everyone can go into the pharmacy portion under documents and forms through the ODEMSA website to see the list of agencies and the hospital pharmacy they have been assigned to. Pharmacies will not be able to give your agency any boxes if the agency does not have their DEA license.

<u>Drug Shortages</u>	None to discuss. Ben advises that this committee will look a little different for the future, however the plan will be to still have a pharmacy meeting that will consist of a much small roster than we have now. The committee will still continue to give guidance, talk about shortages, dosages, and be a place for agencies to ask any questions.	
<u>Drug Diversions/Discrepancies</u>	No diversions to report
